All we need to do is
place children
in a large room
spread with an
abundant feast of learning.

- **Architect Station-** books on architecture, magnetic tiles, building blocks, LEGOS, Lincoln logs
- **Reading Station-** books based on interest, books based on themes, Scrabble, Boggle game, spelling puzzles, pillow and blanket, beanbag chair

SUPPLY LIST FOR STATIONS

SUPPLIES I ALREADY HAVE

SUPPLIES I NEED TO PURCHASE

OUR WISH LIST

NOTES:

Party School- Pick a subject, topic or theme and plan a party which will bring delight to your child's learning experience. Party examples- book clubs, Math party, Insect Tea party, Geography party, etc.

Tinker Box- Create a tinker box with items from around the house.

Poetry Teatime- Serve your favorite drink, dessert and read poetry books as a family.

Nature Walks- Create your own scavenge hunt and find them on your nature walk.

Book Club- Invite your friends to read the same book as your child. At the end of the month meet together for a themed party. All the decorations, food, activity, etc. should be based on the book.

Field Trips- It's important to include hands-on opportunities for your children to grow and learn. This will help your child learn how to apply what they learned in real life.

Random Act of Kindness - Pick a Random Act of Kindness to do with your child. :)

Wall of Questions- You can use a wall space, tri-fold board or a space on your refrigerator where you will post any questions your child has during the week. Pick a designated day/time of the week that you would go over the questions and answers with your child(ren).
